

# STUDENT GRANTS

## FOR ENERGY EFFICIENCY AND RENEWABLE ENERGY PROJECTS OR AWARENESS CAMPAIGNS

Silicon Valley Power is offering grants up to **\$5,000** for high school students to create projects or awareness campaigns that will educate the Santa Clara community about energy efficiency and/or renewable energy.

### EXAMPLES INCLUDE BUT ARE NOT LIMITED TO:

- educational videos
- public art displays
- online resources
- outreach materials
- demonstration projects
- webinars or workshops

Preference is given to projects that include components targeting diversity, equity and inclusion. Applications will be scored based on the content, key messages, target audience, community reach and value for the money spent.

This program is open to high school students who live in the City of Santa Clara or attend school at a site located within the Santa Clara city limits. If an application is submitted by a team of students, all students must meet the eligibility requirements.

Grant awards will be made twice per year with deadlines on **June 30 and December 31.**
